

Drill: #1 Draw to the Jack

Instructions:

Drawing to the Jack is THE basic skill in the game and must be mastered.

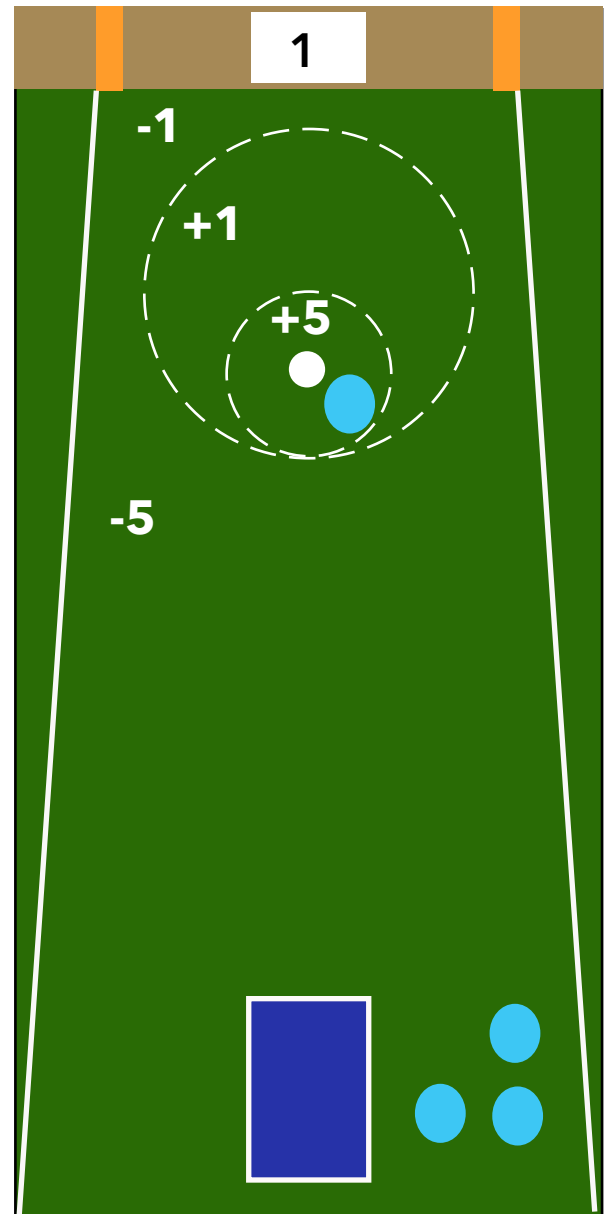

The target is set at 1 yard diameter around the Jack for a positive 1 point score.

Shorter than 20 in. is penalized to reinforce that short bowls are the worst, while longer than that as some merit in a real game so gets -1

Scoring

+5	Up to 20 in radius from the jack
+1	20 - 40 in behind the jack
-1	Longer than 1 yd on the green
-5	More than 20 in short

	1	2	3	4
